About This Game

Titan Shield is the game about bashing, slashing, shooting and casting powerfull spells – solo or as a party group. There is no place for gossip or long dialogs here. You have to rely on combat skills and tactic management to fight your way throught for the Titan`s head.

- The way to your goal is not that easy as it seems. About 16 h of gameplay to make it.
- 8 playable classes to choose from, each with its unique set of skills.
- Character customisation for each member of your party with different attributes, weapon styles and skills builds.
- Uncommon system of gear upgrade – allows to create powerfull weapons with a choosen effect.

-
- Choice of difficulty level for each run – that includes size of tyour party and starting resourses.

Interesting game!

https://youtu.be/Va25bdcf_QB4. Nice game but the title music is very distracting because I always think I'm playing Arcuz...
