A.W.E (All World Exhibition Directory)

Introduces the packing and food exhibitions all over the world, provides detailed reports on the scales, places, themes and the newest scientific advancement of the exhibitions. With this directory, you can know the market trend without going to the exhibitions personally. It can be used as an importance reference for your company to select exhibitions, contact the cooperative exhibitors and reach the maximal benefits.

Asia Food Equipment Guide (Taiwan)

How to find what you want out of diversified food equipment? Asia Food Equipment Guide (Taiwan) provides clear classifications of food equipment with different functions and detailed description of the specialties of the manufacturers, the scope of application and specifications of the equipment. It is a professional reference book worthy of possessing.

In the appendixes is collected information about the world-famous exhibition halls, the food industry associations over the world, the offices of other countries in Taiwan, and the organizations and research institutes
